

What does a state-of-the-art online insurance resource look like?

Introducing Telamon Online, your new portal home page, powered by Telamon Insurance & Financial Network

Welcome to your new favorite Web site, a site designed to give you the information, data, resources, and services you need to work more efficiently and effectively.

Your portal features around-the-clock access to the Insurance & HR Community forum, access to benchmark surveys, valuable documents, links to industry resources, and the ability to contact us whenever the need arises.

For faster access to your insurance solutions, add <https://Telamon.accountportal.net> to your favorites. Just click the **Favorites** menu and select **Add to Favorites**.
