

How does your current broker COMPARE?

Telamon Insurance & Financial Network Services Include:		Current Broker?
Insurance Market Access	We provide access to virtually all insurance and administration markets.	
National Affiliations	In addition to our own talented professionals and specialized value-added services, we have a wealth of resources available to us through several national affiliations.	
Strategic Planning	We will develop a customized strategic plan for you that defines objectives and outlines the actions needed to fulfill those objectives. Our strategic planning services ensure an organized, complete approach to fulfilling your risk management needs.	
Five-Star Service	We pride ourselves on the level of knowledge and service we bring to our clients. All of our clients are assigned a team of specialists dedicated to serving their needs. Each client accesses our team through a single point of contact, making working with us seamless and easy.	
Workers Compensation Claims Services	We have the ability to provide a team of Workers Compensation specialists and consultants to work with your team to implement a loss control program to control costs, introduce injury prevention methods, and a state of the art claims management system.	
Experience	We have a proven track record of dedication and commitment to excellence in our service to the business community.	
Technology	We use leading-edge technology to provide our customers with the latest data analysis, legislative, communication, and human resources administration tools.	
MyWaveRM™	All of our clients receive access to MyWaveRM®, a personalized Web site devoted to helping them with cost containment and safety programs, OSHA compliance, claims reporting, employee communication, and more!	
OSHA Compliance	All of our P&C clients have access to MyWaveOSHA®, an online Web tool used to create accurate OSHA logs and reports on demand. We also provide our clients timely and relevant legislative updates when changes are made at the federal level.	
Online Services	Telamon Insurance & Financial Network provides all of its P&C clients with 24/7 reporting services. Reporting claims, adding or deleting drivers/vehicles, or requesting a certificate of insurance is as easy as sending an e-mail message.	
Custom Communication	With an extensive library of cost containment and loss control tools, we can provide a broad range of communications including ready-to-use employee newsletters and payroll stuffers.	
MyWave Resources	From asbestos to welding safety to workers' compensation statutes, our Resource links offer you access to a wide variety of industry-related topics.	
MyWave Community	By partnering with us, you gain access to a nationwide community of peers through the MyWaveRM Community. You can post questions online to collaborate with peers. For example, one user recently posted this request: "Has anyone participated in OSHA's Voluntary Protection Program?" The user received feedback quickly from peers across the country, providing additional resources and first-hand insight.
