Telamon Clients Receive Preferred Pricing for Data Destruction

DataShredder provides Telamon Insurance & Financial Network their secure document shredding. The drastic increase in Government regulations has created an added demand for **DataShredder** services. **DataShredder** is the most secure, efficient and economical way to properly dispose of your confidential information.

Key Features

- ✘ On-site document destruction.
- ✘ Secure containers provided at no charge.
- ✘ Automatic scheduling (no need to call).
- ✘ Certificate of Destruction issued at the conclusion of service.

Benefits

- ✘ No more struggling with office shredders.
- ✘ Cost effective and time saving.
- ✘ State of the art equipment.
- ✘ Peace of mind knowing your sensitive documents are completely destroyed.

“By partnering with DataShredder our clients have reduced any unnecessary legal exposure and have peace of mind that their critical information is properly destroyed and certified.”

“Telamon is now offering all our valued customers DataShredder Services at a special introductory price. Please eliminate your exposure and sign up for this offer.”

**Dominic F. Sestito President/COO
Telamon Insurance**

Contact **DataShredder** at (800) 622-1808 or info@datashredder.net to get started. Mention Telamon and your first scheduled service is 50% off and **DataShredder** will waive all initial set-up fees.
